

Section III -- AAYSA RULES

I. GENERAL

A. **Exceptions to FIFA Laws.** Except as otherwise noted in these rules, FIFA Laws shall govern the play of any games between member organizations, provided, however, that teams, players, and coaches competing in STYSA and/or USYS competitions shall be governed by STYSA and/or USYS respectively.

B. **Exceptions to AAYSA Rules.** It is the intent of AAYSA Rules to establish minimal standards to govern the play; however the member organization may establish stricter standards to govern its own members.

C. **Definitions.**

1. "Season" means from the date of registration through the regular season games and any post season games and any post-season tournament games. At present there are two seasons per seasonal year, fall, (approximately September through December) and spring (approximately February through May).
2. "Seasonal Year" means one calendar year as defined by STYSA, including one fall and the following spring seasons.

II. PLAYERS AND COACHES

A. **Age Divisions.**

1. Inter-Member play must be between teams of the same age division to the extent possible.
2. Age divisions for each seasonal year shall be determined by the player's age as of midnight, July 31, of the previous seasonal year.
3. The age divisions are as follows:
 - Under 19 = under 19 years of age
 - Under 18 = under 18 years of age
 - Under 17 = under 17 years of age
 - Under 16 = under 16 years of age
 - Under 15 = under 15 years of age
 - Under 14 = under 14 years of age
 - Under 13 = under 13 years of age
 - Under 12 = under 12 years of age
 - Under 11 = under 11 years of age
 - Under 10 = under 10 years of age
 - Under 9 = under 9 years of age
 - Under 8 = under 8 years of age
 - Under 7 = under 7 years of age

Under 6 = under 6 years of age
Under 5 = under 5 years of age

4. Teams are normally formed so that players are placed on the youngest team for which they qualify. No player will be allowed to play in a lower or younger age division. Under 6 through Under 10 age level players may, with member organizations approval, play no more than one age level higher.
5. Except as provided herein, no player may play in a younger age group than the age group for which he/she is eligible. If a medical condition exists (substantiated in writing by a licensed physician) that will prohibit or severely hinder a player from playing in his/her own age group, the player may seek special approval from his/her Local Club, Board and/or Member Association to allow the player to play down in a younger age group. All requests must be submitted to the STYSA Executive Committee prior to the player's first game.

B. Registration, Fees and Proof of Age.

1. All players shall be considered registered on the date that their own association, club or league has in its possession proper payment for registration and a properly completed registration form (or acceptable method provided by the association, club or league) of the type normally utilized by such association, club or league. If online registration is acceptable with the association, club or league, the registration fee must also be paid before the player is considered registered. This occurrence happens in the fall season and again in the spring season.
2. New players must be registered and have participated in at least two (2) league games with his/her respective team prior to taking part in any AAYSA/STYSA post season competition, excluding invitational tournaments.
3. All player registration fees must be paid to AAYSA by the date established by the AAYSA Registrar.
4. Proof of age shall consist of a certified or verified birth certificate, a Uniformed Service Identification and Privilege card (or the equivalent Department of Defense form) issued by the uniformed services of the United States, a birth certificate issued by an appropriate government agency or board of health records, a passport, an alien registration card issued by the United States Government, a certificate issued by the Immigration and Naturalization Service attesting to age, a current drivers license, an unexpired federal, state or local government identification card (if documentation of birth is required), and a certification of an American citizen born abroad issued by the appropriate government agency. Hospital, baptismal, or religious birth certificates will not be accepted.

5. Each member organization must submit a complete registration of all players by the deadline set by the AAYSA Registrar. AAYSA requires a \$1.00 fee per new player, in addition to the applicable STYSA registration fee. Failure to complete timely submission of registration data and or all applicable fees shall result in a fine of \$50 per week plus any additional fees incurred by AAYSA due to the delay of the member organization.
6. The club in violation of either all fees paid or submission of the reconciliation form to the AAYSA Treasurer, and who has not paid such fees by the next regularly scheduled meeting after an AAYSA notification shall lose **all** (executive and general) voting privileges and must be reinstated at an AAYSA Board meeting once in compliance. Reinstatement requires a majority vote of all eligible voting board members. The complete process should be documented in the AAYSA minutes upon occurrence and upon reinstatement. Those clubs submitting fees and reconciliation to STYSA instead of to AAYSA will also be in violation of AAYSA policy and subject to the non-compliance process.

C. **Player or Team Transfer and Release:**

1. **Players.** This section applies solely to transfers in Super II, Division II and Division III, if the teams are involved in inter-association play. A player may play for only one primary team registered with AAYSA during each season, and any player registered to a team is bound to that team for the entire season unless there is a case of extreme hardship. A player will be considered rostered to a team:
 - a. Assignment of a properly registered player to a team; or
 - b. The player's first participation in any competition (excluding tryouts and scrimmages leading to team formation) sanctioned by STYSA or its Member Associations.

If the team is disbanded by its member organization/association prior to the start of the fall seasonal play, the players may be released or reassigned without requesting a transfer.

2. **Teams.** A team wishing to transfer from one member organization to another must complete a Team Transfer Form and submit it to the AAYSA Registrar who will forward it to all members of the Executive Committee. Executive Committee may approve such transfer by a simple majority. A simple majority of the Executive Committee will respond within 5 days to team requests for transfers. A transferring team may not play a game with the receiving club/association until the transfer has been approved by the Executive Committee.
3. **Transfer Approval.** All requests for player transfers shall be submitted to the AAYSA Registrar in writing, stating the reason for the request of

transfer. If the AAYSA Registrar approves the player transfer, the information is to be forwarded to the affected organization(s) and person(s). The player is not to play a game with the transferred-to-team until after the transfer has been approved and the player has registered with the transferred-to-team.

D. **Progressive Discipline System.** The penalty point system is an effort to discourage violent play and misconduct during each playing season which shall continue into AAYSA and STYSA sanctioned tournament play.

1. **Penalty Points Awarded.** Penalty points shall be awarded to individual players, coaches, assistant coaches and team managers as stated in the STYSA playing rules; it is the team representative's and the players responsibility to maintain penalty points.
2. **Disciplinary Action for Penalty Point Accumulation.** An accumulation of cautions, sendoffs and penalty points shall result in disciplinary actions as published in the STYSA playing rules.
3. **Procedure.** Member organizations may not revoke cautions, sendoffs or penalty points.
4. **Discipline and Protest Committee.**
 - a. Prior to each season, the AAYSA Appeals Committee members shall be appointed by the AAYSA Executive Vice-President. The AAYSA Executive Vice-President shall act as chairperson of the committee or shall appoint someone to act as Chairperson. Any three (3) members of the committee with the permission of the Chairperson may decide any issue before the committee by a simple majority vote.
 - b. No member including the Chairperson may vote on a matter involving any organization with which the member is affiliated or a matter in which the member or his/her child is personally involved.
5. **Procedure.**
 - a. No protests will be allowed unless they are made known to the referee and opposing coach immediately after the game.
 - b. The referee and opposing coach must be advised at this time as to the alleged basis for the protest.
 - c. Protests must be noted on the referee's game card, and a referee's report containing a complete description of the situation protested shall be submitted to the Appeals Committee upon request of the committee.

- d. Protests shall be in writing, accompanied by a \$50 money order/protest fee payable to AAYSA and at a minimum shall contain the following information:
 - 1. the date of the occurrence protested;
 - 2. a list of all parties involved, their addresses and telephone numbers and organizational affiliation;
 - 3. a short, plain statement of the matter protested, setting forth the rule which is alleged to have been violated;
 - 4. a list of names, addresses and telephone numbers of witnesses to the incident forming the basis of the protest;
 - 5. what action the protesting party requests of the Appeals Committee; and
 - 6. the protest shall be signed by the party preparing the protest, with his/her address and telephone numbers
- e. Copies of the protest must be simultaneously sent to the Chairperson of the Appeals Committee (the \$50 money order must be included with the protest to the Chairperson) and the person, team (coach) or organization (AAYSA representative) against whom the protest is lodged within seventy-two (72) hours of the end of the game protested. Notice to these shall be sent by certified mail, return receipt requested.
- f. STYSA's procedures will be followed with regards to a hearing.

- 6. **Appeals.** All decisions by the AAYSA Appeals Committee may be appealed to the STYSA Appeals Committee.

E. **AAYSA Zero Tolerance Policy.** AAYSA is a soccer association committed to good sportsmanship and quality of play for our children. AAYSA will enforce a code of conduct for all players, coaches, parents and referees. AAYSA has a policy of **zero tolerance** for behaviors, comments, and actions that endanger or threaten the environment of good sportsmanship and safe play for all soccer participants. This includes but is not limited to the following:

1. The use of foul language, abusive or derogatory comments towards referees, coaches, players or parents by any individual while at the soccer fields or in the parking areas.

4. The Academy Teams will be made available for all players, however, at the time the players register it is up to the parents to decide if their child will play Academy or not.

Players without proper USYS identification cards are ineligible to play in any inter-organization game. Each coach will have a STYSA issued Adult Participation Pass that will be his/her identification card. It must also be presented prior to each game.

****Exception.** As provided by AAYSA Governing Board directive in 2006 an official signed roster shall be provided at the first game and the properly laminated identification cards must be provided by the third weekend of league play.

4. **Kidsafe/Adult Participation Pass.** STYSA has established a policy of background checks for all adults, volunteers and employees who will be in contact with the youth players. It is imperative that every adult over the age of 17 years of age-whether a coach, assistant coach, manager, trainer, team mom, officer or board member – submit their information online for the required background check via the STYSA website at www.stxsoccer.org. Any individual refusing to submit information for a background check will not be allowed to participate. Each club or league within an association should have in place a procedure for verifying that all adults fulfill the requirements.
5. **Shin Guards.** All players will wear shin guards, which are commercially produced and specifically designed to provide protection to the shins. The coach has the full responsibility for insuring that all his/her players wear shin guards of the appropriate size at all games and at all practices.

H. **Home Team.**

1. **Ball.** The home team shall furnish an appropriate size game ball that is acceptable to the referee.
2. **Referee.** The home team is responsible for furnishing the appropriate number of referees.

Each respective Vice President shall be responsible for declaring whether or not a game is a forfeit, or whether a game shall be replayed or omitted from a schedule for any reason except abandonment and playability of the field. All games must be re-scheduled through the respective VP. Any team playing AAYSA inter-associational play will be allowed to participate in tournament play when it conflicts with regularly scheduled games provided the "offended" or opposing coach is properly notified seven (7) days in advance of game date. The "offended" coach can then reschedule the game. If there is a conflict in re-scheduling the game, the appropriate Vice-President will be responsible for re-scheduling the game.

 - b. If there is more than one AAYSA league participating in an age group, an AAYSA tournament will be held. The AAYSA tournament format (round robin, single or double elimination) will be determined each season by the AAYSA Executive Board. If a Round Robin format is approved, the final tournament standings will be determined by the point system described below:

- c. All AAYSA Tournament standings shall be determined by points: 6 points for a win, 3 points for a tie, and 0 points for a loss. A point will be awarded for each goal up to 3 goals. A point will also be awarded for a shut out. A win for forfeit results in 10 points for the winning team. (Scored 3-0) If the rankings are tied at the end of the season play, the following hierarchy will be used to determine final tournament standings:
- (i) Winner in head to head competition; then
 - (ii) the team with the least penalty points advances; then
 - (iii) the difference between goals scored minus goals allowed with the maximum difference of three goals per game. Any loss would be scored as 0 for the losing team. (A score of 7-3 would be scored as +3 points for the winning team and 0 points for the losing team. The team with the greatest number advances; then
 - (iv) total goals allowed (team with fewest goals allowed shall advance); then,
 - (v) the FIFA method of taking penalty kicks for determining the winner in Knock-Out competition.
- d. **Tie Breakers for Other than Round Robin Play.** The game will be extended by two (2) overtime periods as described below. If no goals are scored, the match is decided by Kicks from the Penalty Mark.

V. **REFEREES**

A. **Number of Referees.** One certified referee and two qualified Assistant Referees are required for all Inter-Organizational play. This requirement may be relaxed for Inter-Organization Recreational Division play to only one qualified referee. Select Division Inter-Organization play requires a certified center referee and two qualified Assistant Referee; this may be relaxed with the mutual consent of both coaches prior to the start of the game.

B. **Game Cards.** A game card shall be completed by the referee for all Inter-Organization play.

1. At the completion of the match, the referee shall have each team representative sign the game report and submit the game report to the field representative or the coach of the winning team or home team in case of a tie.

RE: Multiple Rostering

There has been much discussion regarding the issue of multiple rostering. In the guidelines of the STYSA handbook, it clearly states that a player cannot be rostered to more than one primary team. For all practical purposes, this eliminates players being rostered to more than one team in the U-11 to U-19 age groups...Division I, II, and III. These teams participate in Western District Championships and are considered primary teams. Until we did away with the U10 in Western District play, they, too were primary teams. Because we no longer have U10 playoffs in Western District, these teams are now considered secondary or league teams. We have created a "loop-hole" for U10's to be multiple rostered between primary and secondary teams.

In accordance with the STYSA handbook, the Association Registrar has the ability to decide whether multiple rostering should be allowed. Because of the intent of the new rules that STYSA has passed regarding U10, I believe that we are trying to keep U10 as recreation and not allow the claws of competitive soccer to handle them.

Therefore, it is my decision NOT to allow a U10 player to roster to both a U11 and a U10 team. (Fall or Spring)

Remember, STYSA does not limit a player to the number of secondary or league teams they are rostered, but also, STYSA does not allow a player to play with both teams on the same day.

You, as clubs of this association, have the ability to be more restrictive with this issue. AAYSA and STYSA will acknowledge your rules.

AAYSA Reporting and Paying Registration Non-Compliance Process

The club in violation of either all fees paid or submission of the reconciliation form to the AAYSA Treasurer, shall lose **all** (executive and general) voting privileges and must be reinstated at an AAYSA Board meeting once in compliance. Reinstatement requires a majority vote of all eligible voting board members. The complete process should be documented in the AAYSA minutes upon occurrence and upon reinstatement. Those clubs submitting fees and reconciliation to STYSA instead of to AAYSA will also be in violation of AAYSA policy and subject to the non-compliance process.
