We are requesting that our game be moved to _____ at _____.
Date time and location

We understand that it is the home team representative's responsibility to find a field and date that is acceptable to both teams.

We understand that both team representatives have to notify the respective AAYSA V.P. of our request by email.

We have notified our home field scheduler of the change and a field has been secured for our game.

We have also notified the referee scheduler of the change and appropriate referees have been obtained.

We also understand that should our home fields be unavailable and we agree to play at the visiting teams fields or another alternate site that home team is responsible for referee payments.

We further agree that we cannot appeal the game as a result of the re-schedule.

We are requesting this change by Sunday night at 8:00 the weekend prior to our game.

Thank you for accommodating our request to change this game.
